Please carefully check to make sure all your travel details are correct.

Things to remember when picking up your car

- Your voucher,
- A valid credit card in the main driver's name
- Your Driving Licence (Both parts if applicable).

Please also check the Terms and Conditions of your reservation to make sure you do not need to take other forms of identification with you when picking up the vehicle.

At the Europcar counter, you may decide to buy additional cover – to reduce or remove your excess, or to cover things your Collision Damage Waiver (CDW) doesn't, such as tyres and windscreen.

**Please Note:** If you do buy a policy from Europcar, that contract will be between you and Europcar. Since Rentalcars.com will not be involved at all, we won't be able to help if you're dissatisfied with the cost of their policy – or the cover it provides.
